Tool Search: Instruction Mode

The Instruction Mode tool allows districts to record the learning environment for the student and to track how assignments are being used based on the CARES Act Participation field.

Fields vary by state. Please see your state's [State Tools](#) articles for more information on Instruction Mode procedures in your state.

The screenshot shows the 'Instruction Mode' editor interface. At the top, there's a green header with the 'Infinite Campus' logo and a search bar. Below the header, the title 'Instruction Mode' is followed by a star icon and a breadcrumb trail: 'Student Information > State Programs > Instruction Mode'. A toolbar contains icons for 'New', 'Save', 'Delete', and 'Print'. The main content area is divided into two sections. The first section, 'Instruction Mode Summary', displays a table with columns 'Start Date', 'End Date', and 'Student Learning Environment'. The second section, 'Instruction Mode Detail', contains form fields for '*Start Date' (12/08/2020), 'End Date', 'Student Learning Environment' (1: Fulltime on Premises), and 'Cares Act Participation' (Select Values). At the bottom, it shows 'Modified By: Administrator, System 12/01/2020 07:57 AM' and a 'District Defined Elements' section.
