Rx Pack - Campus.2104

Last Modified on 11/25/2025 12:03 pm CST

The following corrections are included in Rx Packs for January and February 2021. Rx Packs contain a small number of critical cases to fix urgent issues, with delivery in an immediate time frame (e.g., the fix cannot wait for the next four week Release Pack).

It is recommended that customers apply all subsequent Release Packs immediately following Rx Packs. Doing so will benefit both customers and Infinite Campus when it comes to supporting the patch.

Rx Packs are cumulative; each Rx pack will automatically include all previous Rx packs within that release. These cases will also be included in the Campus.2108 pack unless otherwise noted.

Below is a list of all Rx Packs for Campus.2104 and the date of availability:

- Rx Pack Campus.2104.9 - Monday, March 15, 2021
- Rx Pack Campus.2104.8 - Thursday, February 11, 2021
- Rx Pack Campus.2104.7 - Wednesday, February 3, 2021
- Rx Pack Campus.2104.5 - Wednesday, January 27, 2021
- Rx Pack Campus.2104.4 - Thursday, January 21, 2021

New York - SIRS Attendance Code and SIRS Student Daily Attendance Update (SIS-143223)

In response to COVID-19, the New York State Education Department (NYSED) provided changes for attendance reporting. The following updates were made in Campus to support those changes.

SIRS Attendance Code

Two new elements were added to the report layout to indicate attendance types of present, absent, tardy, or suspension: *State Attendance Code* and *State Attendance Description*. The new code *PRSNT* now reports each time a student is present for instruction.

SIRS Student Daily Attendance

Reporting logic was updated to report one record per day for each Attendance code including the new code *PRSNT*. Previously, the extract only reported students who had been absent or tardy. The Attendance Date and Attendance Code Long elements were updated with the new reporting logic.

A new element called *Attendance Instructional Modality* was added to the layout. This new element reports how the student received instruction; In-Person, Remote, or Both.
