Tool Search: Early Learning

The Early Learning tool lists student information related to programs designed to improve the health, social-emotional, and cognitive outcomes for all students from birth through third grade, in accordance with federal guidelines. Fields in the Early Learning tool specific to **Nevada** are described below.

Refer to the core [Early Learning](#) article for further details.

The screenshot shows the 'Early Learning Detail Editor' window. At the top, there is a header with a student profile picture, the student's name 'Student, Miles', and ID '12345', grade '02', and DOB '01/01/2018'. Below the header are buttons for 'New', 'Save', 'Delete', and 'Print Summary Report'. The main area is titled 'Early Learning Detail' and contains fields for 'Enrollment' (dropdown), 'Enrollment Type 1' through 'Enrollment Type 4' (dropdowns), 'Comments' (text area), and 'Start Date' and 'End Date' (date pickers). To the right of these fields are dropdowns for '% Funded Type 1' through '% Funded Type 4'. The bottom of the window has a footer with the text 'Early Learning Detail Editor'.

Create an Early Learning Record

1. Click the **New** icon. An Early Learning Detail editor displays.
2. Select the **Enrollment** from the dropdown list.
3. Enter the **Start Date** of the record.
4. Select the **Enrollment Type(s)** and **% Funded Type(s)**.
 - Users must select a % Funded Type for each Enrollment Type.
 - The % Funded Type must total 100% across all Enrollment Types on the record.
5. Click the **Save** icon when finished. The record displays in the Early Learning window.
6. Click the **Print Summary Report** icon to generate a PDF view of the Early Learning record(s).
