MD MCAP Pre-ID Labels State Extract

This tool will extract data for the State-defined Maryland Comprehensive Assessment Program (MCAP) Pre-ID Extract Section Ends Between Dates: These dates narrow which sections the selection criteria uses for pulling students. The extract will only look at sections of courses that end between the specific dates.

Choose state format to generate the file for upload to the State, otherwise choose one of the testing/debugging formats.

Report Logic

This extract uses the following logic:

► [Click here to expand...](#)

- To report, students must have an active enrollment in the selected calendar tied to a state grade of 03 - 12.
 - If the student has multiple enrollments, Campus uses the most recent primary enrollment.
 - If the student does not have a primary enrollment, the most recent enrollment reports.
- This extract will return one record per student.
 - If the student has multiple assessments or transcript records that meet the criteria, report from Test Accommodations from Assessments that are active during the section dates.
 - If there are multiple assessments for a particular data elements group (ELA, Math, Science, Social Studies), report from the most recent Test Accommodations record for the group active during the section dates.
- To report, students must meet one of the following requirements.
 - **ELA:**
 - The student must be enrolled in a course/section that ends within the dates entered in the Section Ends Between dates on the extract editor AND with one or more assessments tied to the course (as of the Effective Date) with one of the following consortium codes: ELA03, ELA04, ELA05, ELA06, ELA07, ELA08, ELA10. The Section can be in an instructional OR non-instructional period.
 - OR
 - The student has a transcript record where the PARCC assessment dropdown list is not null and has an assessment with a matching consortium code but no passing score OR has no assessment with a matching consortium code.
 - **Math:**
 - The student must be enrolled in a course/section that ends within the dates entered in the Section Ends Between dates on the extract editor AND with one or more assessments tied to the course (as of the Effective Date) with one of the following consortium codes: ALG01, ALG02, GEO01, MAT03, MAT04, MAT05, MAT06, MAT07, MAT08. The Section can be in an instructional OR non-instructional period.
 - OR
 - The student has a transcript record where the PARCC assessment dropdown list is not null and has an assessment with a matching consortium code but no passing score OR has no assessment with a matching consortium code.
 - **Science:**
 - The student must be enrolled in a course/section that ends within the dates entered in the Section Ends Between dates on the extract editor AND with one or more assessments tied to the course (as of the Effective Date) with one of the following consortium codes: SC105 or SC108. The Section can be in an instructional OR non-instructional period.
 - OR
 - The student has a transcript record where the PARCC assessment dropdown list is not null and has an assessment with a matching consortium code but no passing score OR has no assessment with a matching consortium code.
 - **Social Studies:**

- The student must be enrolled in a course/section that ends within the dates entered in the Section Ends Between dates on the extract editor AND with one or more assessments tied to the course (as of the Effective Date) with one of the following consortium code SOC08. The Section can be in an instructional OR non-instructional period.
OR
 - The student has a transcript record where the PARCC assessment dropdown list is not null and has an assessment with a matching consortium code but no passing score OR has no assessment with a matching consortium code.

 - Enrollment record is marked as State Exclude;
 - Enrollment record is marked as No Show;
 - Grade Level of enrollment is marked as State Exclude; or
 - Calendar of enrollment is marked as State Exclude.

Report Editor Fields

Field	Description
Effective Date	Data is pulled as of the date entered in this field.
Run Date	Default value is today's date.
Output Format	Determines how the labels will be generated. <ul style="list-style-type: none"> • Fixed Width (State Format) • <u>CSV</u> • HTML
Section Ends Between	Only students who are scheduled into a course/section that ends between the two dates report.
Exclude Cross-Site Data	Cross-site section enrollment data is not included in the report when checked. <ul style="list-style-type: none"> • <u>Cross-site enrollment</u> functionality must be enabled at the district level for the checkbox to display. • Defaults to checked.
Which students would you like to include in the report?	<ul style="list-style-type: none"> • Grade • Ad Hoc Filter
Select Calendars	The calendar(s) from which data is pulled for the report.

Field	Description
Generate Report Submit to Batch	Users can submit the report request to the batch queue by clicking Submit to Batch instead of Generate Extract . This process allows larger reports to be generated in the background without disrupting the use of Campus.
