Last Modified on 02/06/2025 1:57 pm CST

Infinite Campus is changing payment platforms. As soon as the underwriting is complete, and you have updated your Campus version to at least Campus.2120 (GA May 10, 2021) you can begin the migration process.

The following checklist provides the steps you must complete to migrate to the new payment platform.

Questions about migrating? Please contact your [Client Relationship Manager](#).

Before You Begin

You MUST have your full bank account number(s) and routing number.

You MUST be using Campus.2120 (GA May 10, 2021) or later to migrate; however, we recommend using the [most recent version of Campus](#).
