

Rx Pack - Campus.2108

Last Modified on 11/25/2025 12:18 pm CST

The following corrections are included in Rx Packs for February and March 2021. Rx Packs contain a small number of critical cases to fix urgent issues, with delivery in an immediate time frame (e.g., the fix cannot wait for the next four week Release Pack).

It is recommended that customers apply all subsequent Release Packs immediately following Rx Packs. Doing so will benefit both customers and Infinite Campus when it comes to supporting the patch.

Rx Packs are cumulative; each Rx pack will automatically include all previous Rx packs within that release. These cases will also be included in the Campus.2112 pack unless otherwise noted.

Below is a list of all Rx Packs for Campus.2108 and the date of availability:

- Rx Pack Campus.2108.7 - Friday, March 19, 2021
- Rx Pack Campus.2108.6 - Wednesday, March 10, 2021
- Rx Pack Campus.2108.5 - Thursday, March 4, 2021
- Rx Pack Campus.2108.4 - Friday, February 26, 2021
- Rx Pack Campus.2108.3 - Friday, February 19, 2021
- Rx Pack Campus.2108.2 - Wednesday, February 17, 2021
