Last Modified on 06/02/2026 12:42 pm CDT

Tool Search: Special Ed Documents

Special Ed Documents can be set up to allow parents/guardians and/or students to electronically sign documents made available on Campus Parent and/or Campus Student. Both Locked and Draft Special Ed IEPs, Evaluations, Progress Reports, and Prior Written Notices (Ohio only) display on the Portal. Parents/guardians and students can review these documents and then electronically sign a consent form attesting to the document's accuracy. Certain state users also have additional eSignature functionality.

This article documents the different ways Special Ed Documents can be signed. One way is to use the Custom Forms eSignature functionality within Campus; another is a third-party program such as DocuSign. Also listed is the core eSignature solution for those states that have it. See the following state articles for information on each state's specific information:

- [Delaware](#)
- [Massachusetts](#)
- [Nebraska](#)
- [Nevada](#)
- [North Dakota](#)
- [Pennsylvania](#)
- [South Dakota](#)
- [North Dakota](#)

Note: the Custom Form eSignature functionality is only available on the Forms tool.

Tool Rights

Make sure the user requesting the eSignature has the appropriate tool rights to **Request eSignature on Portal** (Student Information > Special Ed > Special Ed Documents > Plan/Evaluation > Request eSignature on Portal). This tool right is either on or off, meaning assigning any of the RWAD rights allows the user to send an eSignature request. For example, marking the Delete checkbox grants the same rights as marking the Read checkbox.

At the top, there is a navigation bar with icons for Open, Lock/Unlock, Copy, Amend, Delete, Print, and New Document. Request eSignature on Portal Button

A dialog prompts the user to select one guardian from the list under the **Select Guardians** section. At this time, only one guardian can sign the plan or evaluation.

Guardian(s) without active portal accounts display in the **Guardian(s) - Parent portal account not active** section.

The dialog box contains the following text: 'Requesting eSignatures will make the document read-only. Select one from the list of guardians with active Portal accounts to eSign the plan.' Below this is a section titled 'Select Guardian(s)' with a radio button next to 'Niiam Acquah'. Another section titled 'Guardian(s) - Parent portal account not active' lists 'Brenda Wilson'. At the bottom are 'Ok' and 'Cancel' buttons.

Request eSignature Dialog

Click **Ok** to send the eSignature request. A checkmark icon  displays next to the document's name, indicating that it has been successfully sent to the guardian. Information in the Document Detail also lists when the eSignature Request was sent and to which guardian.

Remove eSignature

The user can pull the plan from the Portal at any time by clicking the **Request/Remove eSignature** button. This allows the user to make changes to the document before the guardian has a chance to sign. A warning displays confirming the removal of the plan from the Portal. Click **Ok** to confirm or **Cancel** to go back.

Removing the document from the Portal after the guardian has signed invalidates those signatures.

After the guardian accepts the terms, the Terms window no longer displays.

Decline Terms

When the guardian declines the terms, a physical copy of the plan must be printed, signed, and returned to the school. Click the **Decline** button to decline the terms. A dialog displays to confirm the action of declining the terms.

When a guardian declines the terms, the status **Declined Terms and Conditions and Pending** displays next to the document's name in the Documents tool.
