Report Editor

Field	Description
Effective Date	The date for which information reports.
Accommodation Range	The start and end date that comprises the date range. Accommodations within the date range will report.
Format	The Format in which the report should generate. Options are CSV and HTML.
Ad Hoc Filter	Selecting a filter limits the results to only those included in the filter.
Choose Grades	Identifies the grade levels to include in the report.
Select Calendars	Identifies which Calendar(s) should be included in the report. Calendars can be sorted by active year, by school or by year.
Generate Extract/ Submit to Batch	Users have the option of submitting a report request to the batch queue by clicking **Submit to Batch** instead of immediately generating the report by clicking **Generate Extract**. The batch process allows larger reports to generate in the background without disrupting the use of Campus. For more information about submitting a report to the batch queue, see the Batch Queue article.
