Tool Search: Graduation

The Graduation tool provides districts with the ability to track graduation information used in state reporting, AYP (Average Yearly Progress) determinations and on-target diploma information. Districts can track when a student first entered ninth grade and calculate their expected graduation date.

See the core [Graduation](#) article for additional information. State-specific fields on the Graduation tool are used only for district-tracking purposes and are NOT used in state reporting.

The screenshot shows the 'Graduation Editor' interface for a student named Emma. The top navigation bar includes the Infinite Campus logo and a search icon. Below the navigation, the student's name 'Student, Emma' is displayed along with her grade (10), ID (#414226), date of birth (09/26/2007), and counselor (Caroline Staff). There are also icons for 'Medical Condition(s)' and 'VIRTUAL LEARNING CONSENT'. A 'Save' button is located below the student information.
