The Homeless tab records basic homeless information as well as district-defined fields. The list of homeless records is sorted by Start Date.

Michigan has defined Homeless fields that are unique to the state of Michigan. Further information on these fields is described below. For information on all other fields, please see the [Homeless](#) article.

Homeless students are defined as:

- Individuals who lack a fixed, regular, and adequate nighttime residence
- Share housing of other persons due to loss of housing, economic hardship, or a similar reason
- Living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations
- Living in emergency or transitional shelters
- Abandoned in hospitals

Homeless Detail Fields

The screenshot shows the 'Homeless Detail Editor' interface. At the top, there's a header with a user icon, the title 'Homeless', and a star icon. Below this is a navigation bar with links for 'Student Information', 'Program Participation', and 'Homeless'. A search bar contains fields for 'Student #', 'Grade', and 'DOB'. To the right of the search bar is a 'Related Tools' button with an upward arrow. Below the search bar is a toolbar with buttons for 'New', 'Save', 'Delete', 'Print Summary Report', and 'Documents'. The main area is divided into two sections. The top section is titled 'Homeless Editor' and contains a table with columns: 'Program Status', 'Primary Nighttime Residence', 'Unaccompanied Youth', 'Homeless Served', 'Start Date', 'End Date', and 'Created By'. The bottom section is titled 'Homeless Detail' and contains a form with fields for 'Start Date', 'End Date', 'Primary Nighttime Residence' (a dropdown menu), 'Unaccompanied Youth' (a dropdown menu), 'Homeless Served' (a checkbox), and a 'Comments' text area. The entire interface is labeled 'Michigan Homeless Detail Editor' at the bottom.

15	Unsheltered	Children and youth living in abandoned buildings, campgrounds and vehicles, space not meant for habitation, trailers or FEMA trailers, cars, bus and train stations, and abandoned in the hospital. Unsheltered may include substandard or inadequate housing that does not easily fit into any category as it is not governed by a specific definition and is judged on a case-by-case basis. An inadequate dwelling may shelter but it is not adequate housing.
