[English Learners \(EL\) | EL Services](#)

Tool Search: English Learners (EL)

The English Learners (EL) tools allow schools and districts to manage student EL programs, assessments, services, and accommodations. The EL tab provides a central location for managing EL information such as the date the student was identified as EL, when the student entered/exited an EL program, when the student is expected to leave an EL program and First Year/Second Year Monitoring data. For students who exited and/or re-entered an EL program, an historical record is kept and displayed on the tab which can be viewed in both State and District Editions of Infinite Campus.

See the core [English Learners \(EL\)](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Foster Care records.
