Tool Search: Title 1

Title 1 is a federally funded program designed for the academic achievement of the disadvantaged student. For a student to participate in Title 1 Services, the school must be marked as a Title 1 school on the [School](#) editor. Below, fields specific to the state of Michigan are described.

See the core [Title 1](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Title 1 records.

The screenshot displays the 'Michigan Title 1 Editor' interface. At the top, there's a header with a user profile icon, the title 'Title 1' with a star, and navigation links: 'Student Information > Program Participation > Title 1'. Below the header, there are input fields for 'Student #' and 'DOB:'. A toolbar contains 'New', 'Save', and 'Delete' buttons. The main content area is divided into several sections:

- Title 1 Services:** A table with columns 'Start Date', 'End Date', 'Title 1 Program', and 'Created By'.
- Title 1:** A form with 'Start Date' and 'End Date' date pickers, a 'Title 1 Program' dropdown menu, and a 'Comments (up to 255 characters)' text area.
- Title 1 Part A Participation Details:** A section with 'Instructional Services' and 'Support Services' dropdown menus.
- Title 1 Part D - Neglected, Delinquent + At Risk Participation Details:** A section with a 'Program Type' dropdown menu and a 'Program Services' dropdown menu.

The interface is labeled 'Michigan Title 1 Editor' at the bottom.

Any number of services can be marked for a given record. One Title 1 Service entry, regardless of the number of services marked, is considered a service.

If a service in one entry ends but the rest of the services are still active, end that record and enter a new one. This way, there is always a record that the student received the ended service at some point during the year.
