Tool Search: BIE Federal Reporting

The BIE Federal Reporting tool supports the BIE's accountability system that identifies schools that could benefit from additional support and interventions. Every three years, the BIE assesses and ranks  a school's accountability standing based on the following indicators:

- *Academic Achievement* - proficiency on statewide Math and English Language Arts (ELA) Assessments
- *Other Academic Indicator* - proficiency on statewide Science Assessment
- *English Learner Progress* - only applies to schools with 10 or more English Learners
- *Four-Year Cohort Graduation Rate*
- *SQSS (School Quality or Student Success) Chronic Absenteeism*

*The BIE Federal Reporting tool is available in both District Edition and NASIS State Edition sites.*

# Tool Rights

**Read** - View the BIE Federal Reporting tool and any existing records.
**Write** - Edit existing BIE Federal Reporting records.
**Add** - Create and save new BIE Federal Reporting records.
**Delete** - Remove existing BIE Federal Reporting records.

For more information about Tool Rights and how they function, see the Tool Rights article.

# Create a new record

At a minimum, a School Year and School must be selected to save a record. Additional field entries may not be required for the record to be saved, but may be required in certain state reports. Reports that currently use BIE Federal Reporting fields include the BIE Consolidated Report Card (BIE and individual school).

1. Select the **New** icon from the action bar to display a new BIE Federal Reporting detail editor.
2. Select the **School Year** the record will apply.
3. Select a **School** from the dropdown list. Allows for one school selection at a time.
4. Select a value from the **School Improvement** dropdown list if one applies. Selection is determined by the BIE.
5. Enter the designated amount being allocated towards improvement funds in the **School Improvement Funds** field**.**
6. Select a value from the **School Accountability** dropdown list if one applies. Selection is determined by the BIE.
7. Enter a **School Description** specific to the school the record is for.
8. Select the **Save** icon when finished.
