

Fall CTE Extract (Montana)

Last Modified on 10/21/2024 8:21 am CDT

Locations: MT Extracts > Fall CTE

The Fall CTE Extract allow districts to report post-program Career and Technical (CTE) information used by the state of Montana to track and report this data.

Reporting Population and Business Rules

- Report all students with an enrollment in the selected the calendar and their post-program career and technical education data.
 - If a student has multiple active enrollment records in the selected calendar, report the most recent enrollment.
 - Career and Technical Education record MUST occur within the district and the year selected.

Generate the Report

- 1. Select an **Extract Type** of '*CTE Fall'*.
- 2. Select the report Format.
- 3. Select which Calendar(s) will report data.
- 4. Click **Generate Extract**. The extract will appear in a separate window in the designated format.
