Logging In & Overview

+ [Video](#)

Processing Transactions

Options for processing transactions are different based on if your line takes cash or is an account-charging only line.

No Cash Lines	Cash/Check Accepting Lines
+ Video	+ Video

Viewing Eligibility Status

Viewing Free/reduced lunch status (socio-economic indicator in some states) is configured for each terminal. You may not have rights to see this information.

Managing Transactions

This video covers how to void transactions on the terminal and view today's transactions.

+ [Video](#)

Drawer Counts

This video covers how to complete a drawer count for terminals which take cash and checks.
