[Digital Equity Field Descriptions](#)

Tool Search: Digital Equity

The Digital Equity tool allows schools to track digital devices and internet availability for students. More than one record can be added, but records cannot overlap.

See the core [Digital Equity](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Digital Equity records.

The screenshot shows the 'Digital Equity' tool interface. At the top, there's a header with a user profile icon, the title 'Digital Equity ☆', and navigation links: 'Student Information > State Programs > Digital Equity'. Below the header, there are input fields for 'Student #:' and 'DOB:', and a section for 'Medical Condition(s)'. A toolbar contains buttons for 'New', 'Save', 'Delete', and 'Print Summary Report'. The main content area is divided into two sections: 'Digital Equity Summary' and 'Digital Equity Detail'. The 'Summary' section has a table with columns 'Start Date', 'End Date', 'Program Status', and 'Created By'. The 'Detail' section contains various dropdown menus and text fields for 'Start Date', 'End Date', 'Program Status', 'Digital Device Access', 'Primary Digital Device', 'Primary Learning Device Provider', 'Primary Device Access', 'Internet Access', 'Internet Access In Residence', 'Primary Internet Access Type in Res', 'Internet Performance', and a 'Comments (up to 255 characters)' field.

Digital Equity Editor

Note the following:

- Use the [Federal/State Program Updater](#) tool to import Digital Equity information to this tool.
- For OLR Prime users, see the [OLR Federal Program Posting Setup](#) article for information on adding Digital Equity fields (and other Federal Program fields) to the Online Registration application. These fields automatically post to the added field.
- Digital Equity information is reported through the studentIndicators data element on the [Student Education Organization Associations Ed-Fi resource](#).

Digital Equity Field Descriptions

Start Date

Reports the start date for the Digital Equity record.
