## Tool Search: Gifted and Talented

The Gifted and Talented tool tracks a student's participation in Gifted and Talented programming through enrichment, acceleration, and/or advanced curriculum. Gifted and Talented programs vary in name - Gifted, Gifted and Accelerated, etc. Schools can record a student's participation that includes a specific type of program or location or focus, note permission to participate, generate a summary report of the entered data, and a variety of other items that states may wish to capture.

The screenshot shows the 'Gifted' tool interface. At the top, there is a green header bar with the Infinite Campus logo and a navigation menu. Below the header, the title 'Gifted' is displayed with a star icon. The main content area is titled 'Gifted Editor' and shows a table with 'Start Date' and 'End Date' fields, both set to '09/06/2021'. Below this is a 'Gifted Detail' section with 'Start Date' and 'End Date' fields, both set to '09/06/2021'. A text area for 'Comments (up to 255 characters)' is present. At the bottom of the editor, a message says 'Modified By: Administrator, System 09/02/2021 02:56 PM'. A 'District Defined Elements' section is also visible.
