Tool Search: Homeless

The Homeless tool records basic homeless information as well as district-defined fields. The list of homeless records is sorted by Start Date.

See the core [Homeless](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Homeless records.

The screenshot shows the 'Homeless' tool interface for Indiana. At the top, there is a student profile: 'Student, Will' with Grade: 10, #123456789, DOB: 11/04/05, and 'Hybrid - Cohort 1'. Below the profile are four buttons: 'New' (green), 'Save' (green), 'Delete' (red), and 'Print Summary Report' (green). The main area is divided into two sections: 'Homeless Editor' and 'Homeless Detail'. The 'Homeless Editor' section contains a table with columns: Primary Night Time Residence (dropdown menu showing '2: Shelters and Transitional Housing'), Unaccompanied Youth (dropdown menu showing 'No'), Homeless Served (checkbox checked), Start Date (text input showing '10/12/2021'), and End Date (text input showing an empty field). The 'Homeless Detail' section contains fields for Primary Night Time Residence (dropdown menu showing '2: Shelters and Transitional Housing'), Unaccompanied Youth (dropdown menu showing 'No: No'), Homeless Served (checkbox checked), Start Date (text input showing '10/12/2021' with a calendar icon), and End Date (text input showing an empty field). At the bottom of the detail section, it says 'Modified By: Administrator, System 10/12/2021 01:44 PM'.

Code	Description	Definition
0	Does not apply, student is not homeless	Student is NOT homeless at any time during the school year

Code	Description	Definition
1	Doubled-up	<p>Student lives temporarily doubled-up (sharing residence with a family or individual) at any time during the current school year.</p> <p>Doubled-Up (e.g., living with another family) is defined as sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason. This classification requires a case-by-case determination.</p>
2	Shelters and Transitional Housing	<p>Student lives in a shelter, transitional housing at any time during current school year. Shelters are defined as supervised publicly or privately operated facilities designed to provide temporary living accommodations. The shelters category for homeless students includes emergency shelters, family shelters, domestic violence shelters, youth shelters, and transitional housing programs. The shelters category for homeless students <i>does not</i> include residential treatment facilities, Title I Neglected or Delinquent facilities, or TJJD facilities.</p>
3	Unsheltered	<p>Student is unsheltered (i.e., lives on the street, lives in cars, parks, campgrounds, temporary trailers [including FEMA trailers], or abandoned buildings) at any time during the current school year.</p> <p>Unsheltered is defined as a nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. It includes such places as cars, parks, campgrounds (if they live there because they lack an alternative accommodation), temporary trailers (if they live there because they lack an alternative accommodation), abandoned buildings, and substandard housing. Substandard housing may be determined by local building codes, community norms, and/or a case-by-case determination as to whether the accommodation is a “fixed, regular, and adequate nighttime residence.”</p>
4	Motel/Hotel	<p>Student lives in a motel or hotel at any time during the current school year. Students who stay at a motel or hotel are considered homeless if they reside there because they have lost their housing, lack an alternative accommodation, and do not have a “fixed, regular, and adequate nighttime residence.”</p>
