Code	Description	Definition
1	Doubled-up	<p>Student lives temporarily doubled-up (sharing residence with a family or individual) at any time during the current school year.</p> <p>Doubled-Up (e.g., living with another family) is defined as sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason. This classification requires a case-by-case determination.</p>
2	Shelters and Transitional Housing	<p>Student lives in a shelter, transitional housing at any time during current school year. Shelters are defined as supervised publicly or privately operated facilities designed to provide temporary living accommodations. The shelters category for homeless students includes emergency shelters, family shelters, domestic violence shelters, youth shelters, and transitional housing programs. It includes such places as cars, parks, campgrounds (if they live there because they lack an alternative accommodation), temporary trailers (if they live there because they lack an alternative accommodation), abandoned buildings, and substandard housing. Substandard housing may be determined by local building codes, community norms, and/or a case-by-case determination as to whether the accommodation is a “fixed, regular, and adequate nighttime residence.”</p>
4	Motel/Hotel	<p>Student lives in a motel or hotel at any time during the current school year.
