The Graduation tool provides districts with the ability to track graduation information used in state reporting, AYP (Average Yearly Progress) determinations and NCLB (No Child Left Behind) report cards. Districts can track when a student first entered ninth grade and calculate his/her expected graduation date.

Fields on the Graduation tab that are specific to the state of Indiana are described below. See the core [Graduation](#) article for additional information.

## General Graduation Information

The Graduation Detail section lists the student's general graduation information (diploma date, NGA cohort information, etc.) and any required fields necessary for state reporting.
