Census tracks every person's entry in Infinite Campus—parents, staff, students, emergency contacts, doctors, etc. Demographic data is used throughout Campus, utilizing each person's historical and current details. Census fields that are specific to the state of Indiana and/or impact state reporting are detailed below.

See the core [Identities](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Identities records.

Types of changes include:

- Name and Legal Name
- Gender

- Race/Ethnicity
- Nickname

When modified, previous identity information is not lost, but an end date is entered for the previous identity, and a start date is entered for the new identity.

Person Identifiers

Person Identifiers like Student Numbers and State IDs are used in state reports and Ed-Fi resources to identify student records. Staff identifiers—local Staff Number and staff State ID—are also recorded here.
