Special Ed Act 16 Extract Editor

## Report Logic

Only one record reports per student.

To be included in the extract, a student must have the **Act 16 Funding** field populated on their enrollment record. There are four possible values for this field:

- 1: \$0 - \$28,481.33
- 2: \$28,481.34 - \$56,962.68
- 3: \$56,962.69 - \$85,444.04
- 4: \$85,444.05 and over

A student is assigned a value based on the yearly expenditure of the special education program directed by an individual education program (IEP) for the entire school year (July 1 through June 30).

The School District of Residence submits the template, unless the following exceptions exist:

- Students enrolled in a charter school are reported by the charter school.
- 1305 (Foster Home) students are reported by the school district in which the student resides with the foster parents.
- Students educated in state adult and state juvenile correctional facilities are reported by the Pennsylvania Department of Corrections Education.
- Students designated as Wards of State in county prisons are reported by the school district in which the prison is located.
- Gifted students are not included in this submission.
