Tool Search: Title 1

Title 1 is a federally funded program designed for the academic achievement of the disadvantaged student. For a student to participate in Title 1 Services, the school must be marked as a Title 1 school on the [School](#) editor.

See the core [Title 1](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Title 1 records.

The screenshot displays the Infinite Campus interface for editing a Title 1 record. At the top, there is a navigation bar with a menu icon, a search icon, and the Infinite Campus logo. Below this, the student's profile is shown, including a name, grade, ID number, and date of birth. A 'Medical Condition(s)' field is also visible. A toolbar contains buttons for 'New', 'Save', 'Delete', and 'Documents'. The main content area is divided into two sections. The first section, titled 'Title 1 Services', contains a table with columns for 'Title 1 Program', 'Start Date', and 'End Date'. A single record is listed: 'TITS' with a start date of '11/12/2021'. The second section, titled 'Title 1', contains a form for adding a new service. It includes fields for '*Start Date' (set to 11/12/2021) and 'End Date'. Below these is a dropdown menu for '*Title 1 Program' currently set to 'TITS: Title 1 Targeted Services'. Underneath, there are sections for 'Title 1 Part A Participation Details', 'Instructional Services' (with a checkbox for 'Guidance/Advocacy Support'), and 'Support Services' (with a checkbox for 'Other (OT)'). At the bottom of the form, it indicates the record was modified by the Administrator on 11/12/2021 at 10:20 AM. A footer bar shows 'District Defined Elements'.
