# Student Kindergarten Readiness (Colorado)

Last Modified on 12/14/2025 8:45 pm CST

Tool Search: Kindergarten Readiness

The Kindergarten Readiness tool lists a series of checkboxes that indicate the student is prepared for Kindergarten. This information reports on the Kindergarten Readiness Extract within the first 60 days of the school year.

Kindergarten Readiness

For each student enrolled in State Grade Level **006: Half Day Kindergarten** or **007: Full Day Kindergarten**, determine if the student is meeting or exceeding expectations in the following areas. If it is determined that yes, the student is meeting or exceeding expectations, mark that checkbox.

Physical/Motor Development

Physical and motor development includes the growth and strengthening of a child's bones, muscles and ability to move and touch his/her surroundings. For example, if a child is able to crawl or walk (gross motor skills), he/she can more easily explore their physical environment, which affects cognitive development.
