Last Modified on 02/27/2025 1:00 pm CST

Tool Search: Special Ed Documents

The Comparable Service Plan is used to capture student special education plan information and match the required documentation provided by the state of Hawaii. This document describes each editor, the section(s) of the print format that include the entered information, a description of each field on the editor, and any special considerations and instructions. For information on general functionality, navigation, and additional plan and evaluation features, see the core [Plan and Evaluation Information](#) article.

Plan formats are selected in [Plan Types](#). The current print formats is **HI Comparable Services 2022**.

Education Plan

The Education Plan editor includes the various dates associated with the plan, why the IEP meeting was held, and how student progress is reported.

This editor must be saved before entering data into other editors.

Parent/Guardian Information

The Parent/Guardian Information editor populates based on the guardian checkbox on the student's [Relationships](#) tool. The editor includes [Demographics](#) information for the student's guardian.

The **Delete** button next to each parent/guardian can be used to remove a parent/guardian from the IEP.

The **Refresh** button retrieves a new copy of parent/guardians' data. This also returns any accidentally deleted people. Manually entered fields do not change when the refresh button is clicked. The user must **Save** after clicking Refresh to capture changes.
