Tool Search: Instruction Mode

The Instruction Mode tool allows districts to record the learning environment for students and to track how assignments are being used based on the CARES Act Participation field.

See the core [Instruction Mode](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Instruction Mode records.

The screenshot shows the Infinite Campus web interface for the 'Instruction Mode' tool. At the top, there is a green header with the Infinite Campus logo and navigation icons. Below the header, the page title is 'Instruction Mode' with a star icon. The student information is displayed: 'Student, Brandon Grade: 07 #1234567 DOB: 11/13/08'. A toolbar contains buttons for 'New', 'Save', 'Delete', and 'Print'. The main content area is divided into two sections: 'Instruction Mode Summary' and 'Instruction Mode Detail'. The summary section contains a table with the following data:

Start Date	End Date	Instruction Mode
01/17/2022		In-Person

The detail section includes fields for '*Start Date' (01/17/2022), 'End Date', and '*Instruction Mode' (01: In-Person). It also shows the modification history: 'Modified By: Administrator, System 01/21/2022 11:48 AM' and a section for 'District Defined Elements'.
