The Private School Plan is used to capture student special education plan information and match the required documentation provided by the state of Hawaii. This document describes each editor, the section(s) of the print format that include the entered information, a description of each field on the editor, and any special considerations and instructions. For information on general functionality, navigation, and additional plan and evaluation features, see the core [Plan and Evaluation Information](#) article.

Plan formats are selected in [Plan Types](#). The current print format is **HI Private School Participation Project 2022**.
