Overview

Release notes provide the applicable personnel the ability to review enhancements, modifications and regulated changes prior to accepting an update. It is advised that users review the release notes carefully and alert appropriate district staff to changes in the product.

Questions or concerns regarding an update should be directed to Campus Support via the [Campus Community](#).

For additional information on version and platform support, please refer to the [Supported Platforms](#) article.

Release Details

General Availability

Update requests are processed through the Campus Community in the Your Updates section. Updates are first applied to a district's staging site. Upon review and acceptance of the changes in the release, the production site will be updated.

Release Schedule

Please note that on occasion, the actual release date may be postponed, to ensure that the product being released is ready for customers. The actual release will be published to the front page of Community as well as posted as an Announcement in the Community Forums.

Releases follow a naming convention of Campus.YYWW where YY is the year (such as 20) and WW is the week of the year (such as 29).
