Extract	Description
<u>10/30 Extracts</u>	The 10/30 Extracts include both Secondary and Elementary Extracts. These extracts report all students who have an unexcused absence on the Count Date and have attended school before the Count Date, and will return to school within ten school days
<u>Alpha List Report</u>	The Alpha List Report provides an alphabetical listing of students and associated primary education providing entity (PEPE) district. Students will report if they were enrolled at least one day in the selected calendar(s) during the reporting period, defined as the day after the Previous Count Day up to and including the Current Day.
<u>Daily Attendance</u>	The Daily Attendance Percentage report lists students actively enrolled in the selected calendar(s) during the entered date range.
<u>MSDS Extracts</u>	MSDS Extracts include the following: <ul style="list-style-type: none"> • <u>General Collection</u> • <u>Early Childhood</u> • <u>Early Roster</u> • <u>Request for UIC</u> • <u>Student Record Maintenance</u> • <u>Teacher Student Data Link</u>
<u>SID Extracts</u>	The SID Extracts include both SID Summary and SID Detail extract types.
UIC Import	The UIC Import tool uses UIC data from the State Department of Education, which contains student UIC numbers.
