

Section Student Detail (Rhode Island)

Last Modified on 03/11/2024 8:46 am CDT

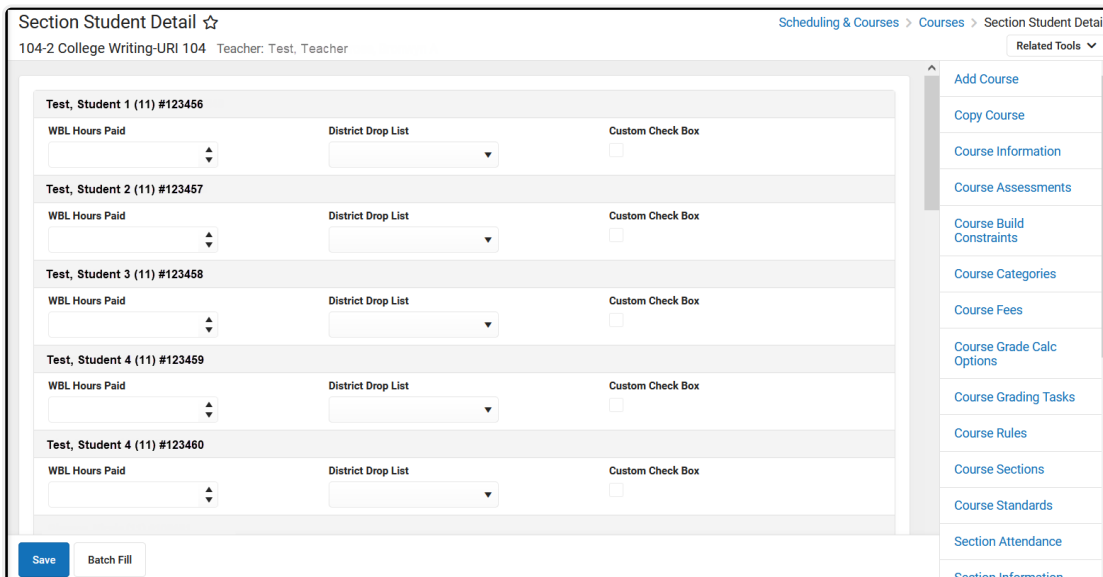

[Add data to the Section Student Detail](#) | [Section Student Detail State Reporting Fields](#)

Classic View: Scheduling > Courses > Sections > Section Student Detail

Search Terms: Section Student Detail

The Section Student Detail tool allows districts to collect section data on a student-by-student basis that is unrelated to scheduling.

See the core [Section Student Detail](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and extracting Section Student Detail records.

Section Student Detail

Add data to the Section Student Detail

To add a new Section Student Detail record for students, click **New**. The Section Student Detail side panel opens. Select the appropriate students, add the Start and End Dates, then select the Career Readiness option for the selected students.

Add a record for ALL students in the section who do not already have a record by using the **Batch Fill** option.

Overlapping records are not allowed.
