In Indiana, Alternative Education programs are designed to meet the needs of public school students in grades 6-12 who have not been successful in the traditional setting. Students are provided with a variety of options that can lead to graduation and are supported by services essential to success. The information provided below is specific to data entry and State Reporting requirements for Indiana ([Student Alternative Education Program Associations](#))

See the core [Alternative Education](#) article for additional information.

Indiana Alternative Education Tool

Students may have multiple Alternative Education records. However, Alternative Education dates should not overlap one another. Previous records must be end-dated and assigned a Reason Exited status before creating a new record.

Use the Filter By Start/End Date fields to find specific records. Select the Apply button to apply the filter dates.

Indiana Alternative Education Program Information Editor

Add/Modify an Alternative Education Record

1. Select the **New** button. The Program Information editor displays.
2. Enter the applicable information for the student.
3. Select the **Save** icon when finished. The saved record is displayed in the Alternative Education editor list.
4. Select the **View** button to see the record details. Users with the necessary tool rights can modify or delete records from this view.

To ensure proper reporting, enter the correct start/end dates for the record. Once an End Date is entered for the student's participation in the program, be sure to enter a *Reason Exited* status for the student.

Use the [Federal/State Program Update Wizard](#) to import existing Alternative Education records for students or to update records for multiple students.
