This report generates a PDF in a format that can be folded and mailed to a person's primary address. The Fee Statement provides a list of totals, including the number and value of all fees incurred, the district-determined fee maximum if applicable, the total amount paid, and the balance due.

If a student does not have an active primary address marked for Mailing (the address has an end date), the report will generate for the student but not include an address.

To print a student's Fee Billing Statement, click the **Print** button at the bottom of the screen.
