Path: Student Information > Special Ed > Special Ed Documents

The Individual Service Plan is used to capture student special education plan information and match the required documentation provided by the state of Wisconsin. This document describes each editor, a description of each field on the editor, and any special considerations and instructions. **The Individual Service Plan (ISP) is the same format as the IEP used for Private Schools in Wisconsin.** For information on general functionality, navigation, and additional plan and evaluation features, see the core Plan and Evaluation Information article.

The current format of this document is the **WI ISP 2026.1**. Plan formats are selected in Plan Types.
