Student Achievement Module Extract

Report Logic

Students report when the following conditions have been met:

- Their enrollment is in the selected calendar(s) on the extract editor.
- The student's test date occurs within their enrollment AND the date range selected on the

extract editor (Student Information > General > [Assessments](#)).

- The student's test result is NOT null (Student Information > General > [Assessments](#)).
- The test is identified as as State Test.
- The State Code for the test is NOT null and the Assessment Type is BIL (Assessment > [Test Setup](#)).

Extract Fields

Field	Description
Start Date	The first day of the reporting period.
End Date	The last day of the reporting period.
Format	The format in which the report will generate. Options include: Fixed Width, HTML, and CSV.
Ad hoc Filter	Select an existing ad hoc filter from which to report students.
Select Calendars	The calendar(s) from which data will be pulled. This defaults to the calendar selected in the Campus toolbar.
Generate Extract OR Submit to Batch	Users have the option of submitting the report to the batch queue by clicking Submit to Batch instead of Generate Extract. This process allows larger reports to generate in the background, without disrupting the use of Campus. For more information about submitting a report to the batch queue, see the Batch Queue article.

Generate Report

1. Enter a **Start Date** for the report in *mmddyy* format or use the calendar icon to select a date.
2. Enter an **End Date** for the extract in *mmddyy* format or use the calendar icon to select a date.
3. Select a **Format** for report generation.
4. Optional: select an existing **Ad hoc Filter**.
5. Select the appropriate **Calendar(s)** from which to include data on the extract.
6. Click the **Generate Extract** button or the **Submit to Batch** button.
