School Mode of Instruction Tool Rights

Create a School Mode of Instruction Record

- 1. Select a school from the Select School window. The Policy Editor will appear on the right.
- 2. Enter the **Start Date**. This is the first day in which the Mode of Instruction options selected are active for the school.
- 3. Enter an **End Date** (if known). This is the last day in which the selected Modes of Instruction are available for the school.
- 4. Select the school's offering of **Remote or Online Only instruction (no in-person or hybrid)**:
 - 1. AS: Offered to All Students
 - 2. SS: Offered to Some Students
 - 3. NO: Not Offered
- 5. Select the school's offering of **Hybrid Both Remote and In-Person (some remote and some in-person instruction)**:
 - 1. AS: Offered to All Students
 - 2. SS: Offered to Some Students
 - 3. NO: Not Offered
- 6. Select the school's offering of Full-time In-Person (no online or hybrid instruction) :
 - 1. AS: Offered to All Students
 - 2. SS: Offered to Some Students
 - 3. NO: Not Offered
- 7. Click **Save**. The record is now saved and active as of the Start Date entered.

Note: School of Instruction Mode records cannot overlap. If Mode of Instruction values need to be modified for a school, end date the current record and create a new record with these new values.

Reporting this Data in Ad Hoc

All of the fields in this tool are available for reporting in Ad Hoc via the following:

Field	Ad Hoc Location	Database Location
Start Date	Course > School > School Mode of Instruction > startDate	SchoolInstructionMode.startDate
End Date	Course > School > School Mode of Instruction > endDate	SchoolInstructionMode.endDate
Remote or Online Only (no in-person or hybrid instruction)	Course > School > School Mode of Instruction > remoteInstruction	SchoolInstructionMode.remoteInstruction
Hybrid - Both Remote and In-Person (some remote and some in- person instruction)	Course > School > School Mode of Instruction > hybridInstruction	SchoolInstructionMode.hybridInstruction
Full-time In-Person (no online or hybrid instruction)	Course > School > School Mode of Instruction > fullTimeInstruction	SchoolInstructionMode.fullTimeInstruction
