Tool Search: Early Learning

The Early Learning tool lists student information related to programs designed to improve the health, social-emotional and cognitive outcomes for all students from birth through third grade, using the federal guidelines. Multiple Early Learning Records can be entered for a student.

Missouri uses the Early Learning tool only for district tracking purposes. The fields on this tool are not used in state reporting.

See the core [Early Learning](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Early Learning records.
