The current formats of the Idaho Evaluation Summary Report (ESR) include:

- [ID ESR 2018](#)
- [ID ESR 2018 Reevaluation/Redetermination](#)
- [ID ESR 2018 SLD](#)

Evaluation formats are selected in [Eval Types](#).

An evaluation must be created whether or not the student is determined to have a disability. A copy of the evaluation team report, including the documentation of eligibility, is given to the student's parents by the school district.
