The Special Education Act 16 Template reports any student who has a value selected in the Act 16 field on the Special Education Enrollment editor.

The screenshot shows the 'Special Education Extracts' tool interface. At the top, there is a green header with the Infinite Campus logo and navigation icons. Below the header, the title 'Special Education Extracts ☆' is displayed. A blue banner reads 'Special Ed Extracts'. A text box explains: 'This tool will extract special education data for the PA special education table reports. Choose the state format to get the file in the state defined format.' Under 'Extract Options', there are fields for 'Extract Type' (set to 'Special Ed Act 16'), 'Effective Date' (10/08/2021), 'Prior Reporting Date' (empty), and 'Format' (set to 'State Format(comma delimited)'). There are buttons for 'Generate Extract' and 'Submit to Batch'. Below these are 'Refresh' and 'Show top 50 tasks submitted between 10/01/2021 and 10/08/2021'. A 'Batch Queue List' table is shown with columns for 'Queued Time', 'Report Title', 'Status', and 'Download', but it is currently empty.

*Special Education Act 16 Extract*

## Report Logic

In order to be included in the extract, a student must have the **Act 16 Funding** field populated on their enrollment record. There are four possible values for this field:

- 1: \$1.00 - \$26,717.95
- 2: \$26,717.96 - \$53,435
- 3: \$53,435.92 - \$80,153.88
- 4: \$80,153.89 and over

A student is assigned a value based on the yearly expenditure of the special education program directed by an individualized education program (IEP) for the entire school year (July 1 through June 30).

The School District of Residence submits the template, unless the following exceptions exist:

- Students enrolled in a charter school are reported by the charter school.
- 1305 (Foster Home) students are reported by the school district in which the student resides with the foster parents.
- Students educated in state adult and state juvenile correctional facilities are reported by the PA Department of Corrections Education.
- Students designated as Wards of State in county prisons are reported by the school district in which the prison is located.
- Gifted students are not included in this submission.
