This article details the fields located within Michigan's special education documents that are used for state reporting purposes, including Evaluations, Individual Education Plans (IEP), and other document types. For more specific information about the Evaluation or IEP, see the corresponding linked documentation for each section below.

All field listed below report on the [General Collection](#) and [Student Record Maintenance](#) reports. All fields below report for Ed-Fi. See the [Michigan Ed-Fi Data v3.1 - Student Special Education Program Associations](#) article for additional information.

Evaluation Summary Report

The Individual Education Program (IEP) or Evaluation team uses the Evaluation to document the student's educational needs and the student's determination of eligibility for special education. See the [Michigan Evaluation Summary](#) report article for the most up-to-date format of the evaluation.
