## Report Logic

Students enrolled in the calendar(s) selected on the extract editor report.

Students are NOT included if

- their enrollment record is marked as State Exclude;
- their enrollment record is marked as No Show;
- their Grade Level of enrollment is marked as State Exclude; or
- their Calendar of enrollment is marked as State Exclude.

If a student has multiple non-state-excluded enrollment records in a given calendar, a single record reports based on the enrollment record that has the highest primacy ranking based on the

following chart:

Type	Primacy
P: Primary (if more than one, most recent start date)	1
S: Partial (if more than one, most recent start date)	2
N: Sped (if more than one, most recent start date)	3
