General IEP Information

The following table lists the buttons available for the editors:

Button	Description
Save	<p>Different editors have different save options. Click the arrow next to the Save & Stay button to view all saving options for any given editor.</p> <ul style="list-style-type: none"> • Save captures progress and navigates the user to the Editor Home or to the List Screen for List editors. See the Editor Types section for additional information. • Save & Stay captures progress and keeps the user on the current editor. This save button is the default save option and usually found within the detail screen of List editors, such as Goals and Objectives. • Save & Next captures progress and navigates the user to the next editor. • Save & New captures progress and creates a new record. This save button is usually found within the detail screen of a list editor, such as Goals and Objectives. See the Editor Types section for additional information.
Refresh	<p>Retrieves a new copy of data from the student's record. This includes enrollment, student, parent/guardian, and team member information. This also returns any accidentally deleted people records. Manually entered fields do not change when the refresh button is clicked. The user must Save after clicking Refresh to capture changes.</p> <p>A side panel displays listing all applicable Enrollment records for the student. See the Enrollments tool documentation for additional information.</p>

Button	Description
Cancel	Navigates the user to the Editor Home screen or to the List Screen for list editors.
Status <i>i.e.</i> <i>Complete,</i> <i>Not</i> <i>Needed,</i> <i>etc.</i>	<p>Changes the status of the editor.</p> <ul style="list-style-type: none"> • Complete indicates the editor is finished. This makes the editor read-only. However, this does not lock the editor from further editing. To further edit after an editor is marked Complete, the user must click In Progress. • Not Needed indicates the editor does not apply to the student's plan. This makes the editor read only. However, this does not lock the editor from further editing. To further edit after an editor is marked Not Needed, click the In Progress button. • In Progress only displays when the editor is in the Complete or Not Needed status and allows additional edits to be made.

Editors	Opens a side panel listing all the available editors and their status. Select an editor from this list to navigate to that editor or click Close to collapse the side panel.
Previous	Navigates the user to the previous editor.
Next	Navigates the user to the next editor.

Editor Types

There are two types of editors available: List or Basic editors. When navigating to a Basic editor, the list of fields within the editor display. List editors display a list of all records within that editor. Clicking an existing record or the New button opens the detail view for an individual record. An example list editor is the [Meeting Participants](#) editor.

Padlock Icon

Only one user at a time can actively work on an editor. A person with a padlock icon  displays in the Editors side pane, Editor Home, and Master Screen of list editors indicating which editors currently have users working on them. Hovering over the icon displays the name of the user who has checked out the editor, including the current user (you).

Editors that are currently being edited are read only for all other users. The name of the person working on the editor displays in the header. Once the editing user navigates away from an editor, that editor becomes available to work on.

Template Banks

Certain fields within several editors have a paper icon  displays next to their name. When the icon is clicked, a side panel displays with the available library of predetermined text for that field. [Template Banks](#) are managed in System Administration.

NOT STARTED

The educational placement is based on the student's IEP.

The educational placement is as close as possible to the student's home.

The educational placement is in the school that the student would attend if he or she did not have a disability.

The IEP team considered any potential harmful effect of the educational placement on the student or on the quality of needed services.

If "No" is checked, explain why. 

If the student's school day or week is shorter or longer than peers without disabilities, explain why.

Reevaluations must occur at least once every three years, unless the parent and the school district agree that a reevaluation is unnecessary. Reevaluations help determine:

- whether the child continues to have a disability and needs special education;
- whether any additions or modifications to the special education and related services are needed to enable the child to meet the measurable annual goals, and to participate, as appropriate, in the general education curriculum; or
- the parent has requested a reevaluation.
