DTaP | Tdap | Hepatitis B | MMR | Varicella | Polio | HIB | Meningococcal MCV4 | Rotavirus | Pneumococcal PPV

Classic Path: System Administration > Health > Vaccines

Search Terms: Vaccines

Health vaccines and their associated compliance listings are based on state guidelines. While Infinite Campus maintains standard guidelines for all states, districts have the ability to enter additional compliances. The following information describes vaccine compliance rules as defined by the Ohio State Department of Health.

> For more information on the creation, modification or deletion of vaccine compliances, see the Vaccines page.

General Compliance

- Vaccine doses administered less than or equal to 4 days before the minimum interval or age are counted as valid.
- Doses administered 5 days earlier than the minimum interval or age are not counted as valid.
- Half or reduced doses are not counted as valid.
- If MMR and Varicella vaccines have not been administered on the same day, they must be separated by at least 28 days, with no grace period.
- MMR and Varicella rules are hardcoded. Changes made here will not affect logic.

DTaP

Rule	Requirements
PreK 4 doses *Compliant*	The student is considered compliant if the following conditions have been met: • the student is in state grade: IN: Infant/Toddler, PS: Preschool, and • the student receives 4 doses of the DT or DTaP vaccine.

Rule	Requirements
5 doses before 48 mos *Compliant*	The student is considered compliant if the following conditions have been met: • the student receives 5 doses of the DT or DTaP vaccine, and • the difference between the fifth dose and the student's birthdate is less than or equal to 47 months with a 4 day tolerance.
4 dose KG-12 *Compliant*	The student is considered compliant if the following conditions have been met: • the student receives 4 doses of the DT or DTaP vaccine, • the difference between the last dose and the student's birthdate is greater than or equal to 48 months with a 4 day tolerance, and • the difference between the last and previous dose is greater than or equal to 6 months with a 4 day tolerance.
3 doses age 7 *Compliant*	The student is considered compliant if the following conditions have been met: • the student receives 3 doses of the DT or DTaP vaccine, • the student receives 1 dose of the Tdap vaccine, • the difference between the last dose and the student's birthdate is greater than or equal to 84 months with a 4 day tolerance, • the difference between the second and previous dose is greater than or equal to 28 days with a 4 day tolerance, and • the difference between the last and previous dose is greater than or equal to 6 months with a 4 day tolerance.
Default *Non-compliant*	N/A

Tdap

Rule	Requirements
1 dose Tdap or Td 07-12 *Compliant*	The student is considered compliant if the following conditions have been met: • the student is in state grade: 07, 08, 09, 10, 11, 12, • the student receives 1 dose of the TD, or Tdap vaccine, and • the difference between the dose and the student's birthdate is greater than 120 months with a 4 day tolerance.
Default *Non-Compliant*	The student is considered non-compliant if they are in state grade 07, 08, 09, 10, 11, 12 and have not received any doses of the Td, DTaP, or Tdap vaccine.
Default *No Requirement*	N/A

Hepatitis B

Rule	Requirements
All Grades *Compliant*	The student is considered compliant if the following conditions have been met: • the student receives 3 doses of the Hepatitis B OR Hepatitis B - 3 dose vaccine, • the difference between the second dose and the previous is greater than 28 days with a 4 day tolerance, • the difference between the last dose and the second valid dose is greater than 56 fays with a 4 day tolerance, • the difference between the last dose and the first valid dose is greater than 112 days with a 4 day tolerance, and • the difference between last dose and the student's birthdate is greater than 168 days with a 4 day tolerance.
Default *Non-Compliant*	N/A

MMR

> MMR rules are hardcoded. Changes made here will not affect logic.

Rule	Requirements
1 dose *Compliant*	The student is considered compliant if they receive one dose of MMR on or after their first birthday.
2 doses *Compliant*	The student is considered compliant if the following conditions have been met: • the student receives 2 doses of the MMR vaccine, • the difference between the first dose and the student's date of birth must be at least 12 months, and • the difference between doses 1 and 2 must be at least 28 days.

Varicella

> Varicella rules are hardcoded. Changes made here will not affect logic.

Rule	Grades
State Grades IN, 13 23 *No Requirement*	Students in state grade(s): IN: Infant/Toddler, 13: Enrolled, completed course requirements, and/or 23: Student identified with disability are not required to receive any doses of the Varicella vaccine.
Preschool - 1 dose *Compliant*	The student is considered compliant if the following conditions have been met: • the student is in state grade: PS: Preschool, • the student receives one dose of the Varicella or MMRV vaccine, and • the difference between the last dose and the student's birthdate is greater than or equal to 12 months with a 4 day tolerance.
K-12th Grade - 2 doses *Compliant*	The student is considered compliant if the following conditions have been met: • the student is in state grade(s): KG, 01, 02, 03, 04, 05, 06, 07, 08, 09, 10, 11, 12, • the student receives two doses of the Varicella or MMRV vaccine, • the difference between the first dose and the student's birthdate is greater than or equal to 12 months with a 4 day tolerance, and • the difference between the last and previous dose is greater than or equal to 28 days with a 4 day tolerance.
K-12th Grade - 1 dose *In Progress*	The student is considered in progress if the following conditions have been met: • the student is in state grade(s): KG, 01, 02, 03, 04, 05, 06, 07, 08, 09, 10, 11, 12, • the student receives one dose of the Varicella or MMRV vaccine, and • the difference between the dose and the effective date is less than or equal to 28 days with a 4 day tolerance.
Default *Non-compliant*	N/A

Polio

Rule	Requirements
PreK 3 doses *Compliant*	The student is considered compliant if the following conditions have been met: • the student is in state grade: IN: Infant/Toddler, PS: Preschool, and • the student receives 3 doses of the IPV, OPV, or IPV/OPV vaccine.

Rule	Requirements
4 doses IPV or OPV *Compliant*	The student is considered compliant if the following conditions have been met: • the student receives 4 doses of the IPV, OPV, or IPV/OPV vaccine, • the difference between the last dose and the student's birthdate is greater than or equal to 48 months with a 4 day tolerance, and • the difference between the last and previous dose is greater than or equal to 6 months with a 4 day tolerance.
3 doses IPV *Compliant*	The student is considered compliant if the following conditions have been met: • the student receives 3 doses of the IPV or IPV/OPV vaccine, • the difference between the third dose and the student's birthdate is greater than 48 months with a 4 day tolerance, and • the difference between the third dose and the previous is greater than 6 months with a 4 day tolerance.
ages 18 and older *No Requirement*	Students age 18 (216 months) and older are not required to receive any doses of the IPV, OPV, or IPV/OPV vaccine.
Default *Non-compliant*	N/A

HIB

Rule	Requirements
1 dose, 15 months *Compliant*	The student is considered compliant if the following conditions have been met: • the student receives 1 dose of the Hib vaccine, and • the difference between the dose and the student's birthdate is greater than 15 months with a 4 day tolerance.
3 doses *Compliant*	The student is considered compliant if the following conditions have been met: • the student receives 3 doses of the Hib vaccine, and • the difference between the last dose and the student's birthdate is greater than 12 months with a 4 day tolerance.
ages 5 and older *No Requirement*	Students ages 5 (60 months) and older are not required to receive any doses of the Hib vaccine.

Rule	Requirements
Default *Non-compliant*	N/A

Meningococcal MCV4

Rule	Requirements
Grade 12, Age 16 - 2 doses *Compliant*	The student is considered compliant if the following conditions have been met: • the student is in state grade: 12, • the student receives 2 doses of the Meningococcal vaccine, • the difference between the second dose and the previous is greater than 56 days with a 4 day tolerance, and • the difference between the last dose and the student's birthdate is greater than 192 months (16 years) with a 4 day tolerance.
Grade 12, Age 16 - 1 dose *Compliant*	The student is considered compliant if the following conditions have been met: • the student is in state grade: 12, • the student receives 1 dose of the Meningococcal vaccine, and • the difference between the last dose and the student's birthdate is greater than 192 months (16 years) with a 4 day tolerance.
Grade 12, Age 15 - 1 dose *Compliant*	The student is considered compliant if the following conditions have been met: • the student is in state grade: 12, • the student is no older than 191 months, and • the student receives 1 dose of the Meningococcal vaccine.
Grades 07-11th - 1 dose *Compliant*	The student is considered compliant if the following conditions have been met: • the student is in state grade: 07, 08, 09, 10, 11, and • the student receives 1 dose of the Meningococcal vaccine.
Grades PK - 6th *No Requirement*	Students in state grade IN: Infant/Toddler, PS: Preschool, KG: Kindergarten, 01, 02, 03, 04, 05, 06, 13: Enrolled, completed course requirements, and 23: Student identified with disability are not required to receive any doses of the Meningococcal vaccine.
Default *Non-compliant*	Students in state grade: 07, 08, 09, 10, 11, 12, who have not received any doses of the Meningococcal vaccine are considered non-compliant.

Rotavirus

Rule	Requirements
3 doses PK *Compliant*	The student is considered compliant if the following conditions have been met: • the student is in state grade: PS: Preschool, • the student receives 3 doses of the Rota vaccine, • the difference between the first dose and the student's birthdate is greater than 42 days with a 4 day tolerance, • the difference between the second dose and the previous is greater than 28 days with a 4 day tolerance, and • the difference between the third dose and the previous is greater than 28 days with a 4 day tolerance.
2 doses PK *Compliant*	The student is considered compliant if the following conditions have been met: • the student is in state grade: PS: Preschool, • the student receives 2 doses of the Rota vaccine, • the difference between the first dose and the student's birthdate is greater than 42 days with a 4 day tolerance, and • the difference between the second dose and the previous is greater than 28 days with a 4 day tolerance.
1 dose PK *In Progress*	The student is considered in progress if the following conditions have been met: • the student is in state grade: PS: Preschool, • the student receives 1 dose of the Rota vaccine, and • the difference between the dose and the effective date is less than 28 days with a 0 (zero) day tolerance.
Default *No Requirement*	N/A

Pneumococcal PPV

Rule	Requirements
1 dose PK *Compliant*	The student is considered in progress if the following conditions have been met: • the student is in state grade: PS: Preschool, • the student receives 1 dose of the Pneumococcal vaccine, and • the difference between the dose and the student's birthdate is greater than 24 months with a 4 day tolerance.

Rule	Requirements
2 doses PK *Compliant*	The student is considered in progress if the following conditions have been met: • the student is in state grade: PS: Preschool, • the student receives 2 doses of the Pneumococcal vaccine, • the difference between the first dose and the student's birthdate is greater than 12 months with a 4 day tolerance, and • the difference between the second dose and the previous is greater than 56 days with a 4 day tolerance.
3 doses PK *Compliant*	The student is considered in progress if the following conditions have been met: • the student is in state grade: PS: Preschool, • the student receives 3 doses of the Pneumococcal vaccine, • the difference between the first dose and the student's birthdate is greater than 42 days with a 4 day tolerance, • the difference between the first dose and the student's birthdate is less than 11 months with a 4 day tolerance, • the difference between the second dose and the previous is greater than 28 days with a 4 day tolerance, and • the difference between the third dose and the previous is greater than 56 days with a 4 day tolerance.
3 doses PK 7-11 Shot *Compliant*	The student is considered in progress if the following conditions have been met: • the student is in state grade: PS: Preschool, • the student receives 3 doses of the Pneumococcal vaccine, • the difference between the first dose and the student's birthdate is greater than 42 days with a 4 day tolerance, • the difference between the second dose and the previous is greater than 28 days with a 4 day tolerance, • the difference between the third dose and the previous is greater than 56 days with a 4 day tolerance, • the difference between the second dose and the student's birthdate is greater than 7 months with a 4 day tolerance, • the difference between the second dose and the student's birthdate is less than 11 months with a 4 day tolerance, and • the difference between the third dose and the student's birthdate is greater than 12 months with a 4 day tolerance.

Rule	Requirements
4 doses PK *Compliant*	The student is considered in progress if the following conditions have been met: • the student is in state grade: PS: Preschool, • the student receives 4 doses of the Pneumococcal vaccine, • the difference between the first dose and the student's birthdate is greater than 42 days with a 4 day tolerance, • the difference between the second dose and the previous is greater than 28 days with a 4 day tolerance, • the difference between the third dose and the previous is greater than 28 days with a 4 day tolerance, and • the difference between the fourth dose and the previous is greater than 56 days with a 4 day tolerance.
1 dose PK *In Progress*	The student is considered in progress if the following conditions have been met: • the student is in state grade: PS: Preschool, • the student receives 1 dose of the Pneumococcal vaccine, and • the difference between the dose and the effective date is less than 28 days with a 0 (zero) day tolerance.
Default PK *Non-compliant*	Students in state grade: PS: Preschool who haven't received any doses of the Pneumococcal vaccine are considered non-compliant.
Default *No Requirement*	N/A
