Health vaccines and their associated compliance listings are based on state guidelines. While Infinite Campus maintains standard guidelines for all states, districts have the ability to enter additional compliances. The following information describes vaccine compliance rules as defined by the New Mexico department of Health.

For more information on the creation, modification or deletion of vaccine compliances, see the [Vaccines](#) page.

General Compliance

- Vaccine doses administered less than or equal to 4 days before the minimum interval or age are counted as valid.
- The following doses are not counted as valid doses:
 - Doses administered 5 days earlier than the minimum interval or age.
 - With the exception of Hepatitis B vaccine, immunizations given before 6 weeks of age.
 - Half doses or reduced doses of a vaccine.
