Field Descriptions | Add a State Seal Record

Tool Search: Graduation

The State Seal Information section allows you to add State Seal records to a student's graduation record. A State Seal of Biliteracy is awarded to students who have achieved proficiency in two or more languages, including English, by the time they graduate from high school. State Seal can be included when generating student transcripts. Multiple awards may be recorded for students who have earned them.

State Seal Information

Field Descriptions

The following table describes each available field:

Field	Description
Language	The language in which the student has earned state recognition.
State Seal	The name of the State Seal awarded.
Date Earned	Date the State Seal was earned.

Field	Description
Proficiency Date	Date the student was considered proficient in the selected language.

Add a State Seal Record

To add a State Seal record:

1. Select the **Language** in which the student has earned state recognition.
2. Select the **State Seal** earned by the student.
3. Enter the **Date Earned.**
4. Enter the **Proficiency Date.**
5. Select the **Save** icon.

To add more State Seal records, click the **Add State Seal** button and repeat steps 1-5.
