Grades Report - Video

Last Modified on 12/14/2025 8:45 pm CST

The Grades Report batch prints students' grades. This video gives examples of how to use this report to list posted grades for all students, check for missing grades, and check for specific posted grades (failing or near failing) for a subset of students.

If you wish, skip to the timestamps listed below to learn about a specific Grade Report mode.

- :10 All Grades/Scores
- :53 Missing Grades/Scores
- 1:50 By Grade/Score
