## Report Logic

Extract Type	Logic
Fall	When selected, the A, B, and D Records options display.
EOY	When selected, the A, B, and C Records options display.

### Report Population

- Staff report on the collection when their District Assignment's Employment Assignment Information's Title selection has Standard Code populated in the attribute dictionary.
- A staff record is generated for each unique Title Standard Code, Adult Ed, Special Ed and EL

combination. Up to 4 record can report for each position code combination.

- When the Extract Type = EOY, staff only report if the License Number on their District Employment is populated.

## B Record Report Population

- Staff report on the collection when their District Assignment Title is populated, and the District Employment End Date is blank on or before the Effective Date of the report generation date AND on or after the Calendar Start Date.
- A record is generated for each unique Title Standard Code with the Adult Ed Only, OR English Learning Only, OR Special Ed checkbox marked on the staff member's District Assignment. A staff member with all three of these checkboxes marked will report as three separate records. An additional record may generate when the position has none of the above checkboxes marked.
- Staff report on the collection when their District Assignment standard code is 1-139.
- Staff with a Title Standard Code of 89: Bus Driver report on the D Record.

## C Record Report Population

- Staff report on the collection when their District Assignment Title is populated, and the District Employment End Date is blank on or before the Effective Date of the report generation date AND on or after the Calendar Start Date.
- Staff report on the collection when their District Assignment standard code is 1-139.
- Staff with a Title Standard Code of 89: Bus Driver report on the D Record.

## D Record Report Population

- Staff report on the collection when their District Assignment Title Standard Code is 89: Bus Driver, and the District Employment End Date is blank on or before the Effective Date of the report generation date AND on or after the Calendar Start Date.

# Report Editor Fields

Field	Description
<b>Effective Date</b>	The date for which information in the report is active or valid.
