Path: Student Information > State Programs > Crisis Event

The Crisis Event tool tracks students who were enrolled, or are eligible for enrollment, but have temporarily or permanently enrolled in another school or district because of a crisis-related disruption in educational services.

Crisis Event Record

See the State Programs Tool Rights article for information about tool rights needed to use this and other State Programs tools.

Use the Federal/State Program Updater tool to import Crisis Event information to this tool.

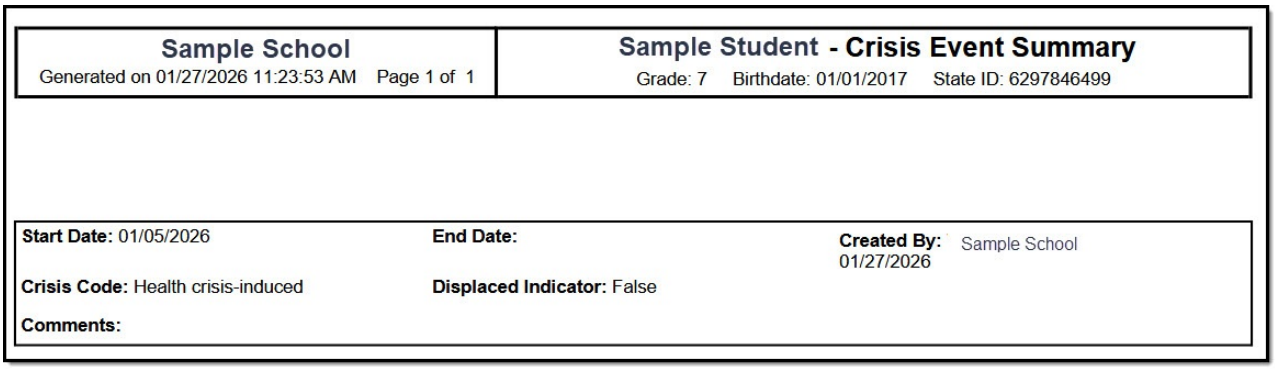

Enter a Crisis Event

Fields in red with an asterisk are required.

1. Click the **New** button. A **Crisis Event Detail** editor displays.
2. Enter the applicable information for the student.
3. Click the **Save** icon when finished. The saved record displays in the Crisis Event Summary.

Print summary report

Select the **Print Summary Report** button to generate a summary report of the selected student's Crisis Event records.

Upload document

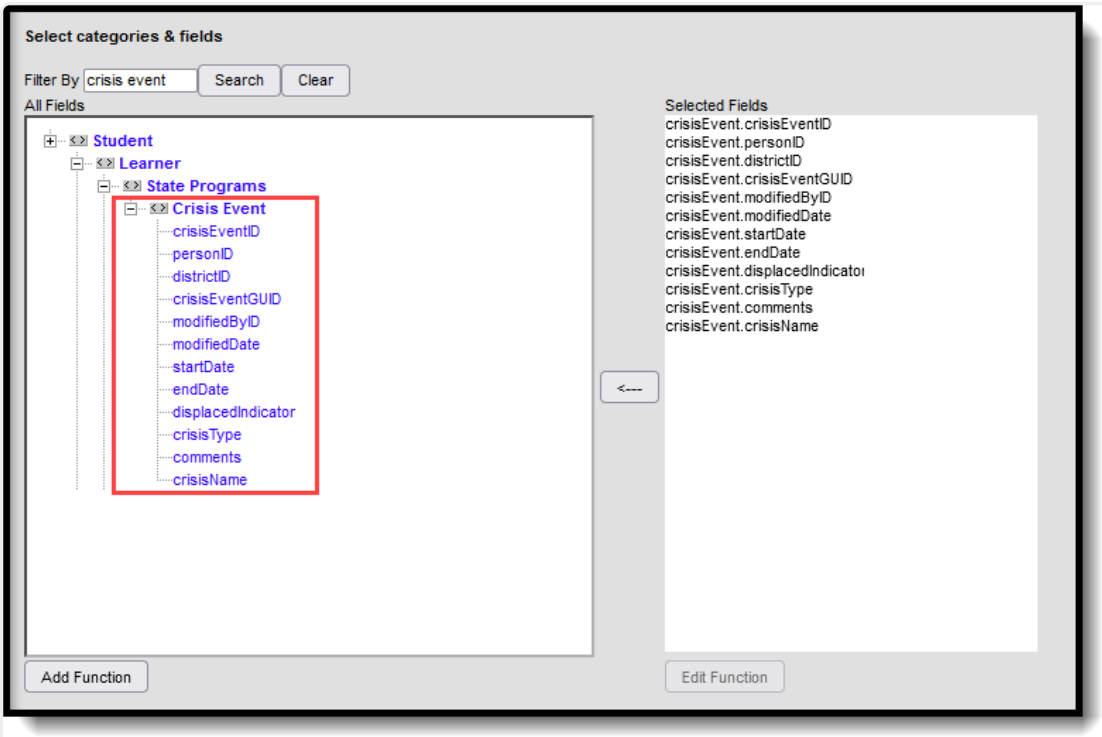

Schools for which the Campus Digital Repository has been enabled may choose to give staff the rights to upload documents for students' Critical Events records. See the article on Digital Repository Preferences to learn how to do this.

1. Click the **Documents** button to open a side panel where documents can be viewed and uploaded.
2. Click **Upload**.
3. Use **Select files** to browse to where the document to be uploaded is located. You may select a file to open, or drag and drop the file to upload. You must select the consent box to proceed.
4. **Save**.
5. The uploaded document is visible in the **Documents** side panel under **Document List**. Select a file to view it. Use the red X next to a file to delete it. Use **Upload** to upload additional documents. **Cancel** to exit the side panel.
