Tool Search: Crisis Event

The Crisis Event tool tracks students who were enrolled, or are eligible for enrollment, but have temporarily or permanently enrolled in another school or district because of a crisis-related disruption in educational services.

Fields vary by state. Please see your state's [State Tools](#) articles for more information on Crisis Event procedures in your state.

The screenshot shows the Crisis Event tool interface. At the top, there is a navigation bar with a menu icon, a search icon, and the Infinite Campus logo. Below the navigation bar, the title "Crisis Event" is displayed next to a student icon. The student information shown is "Student, Yvette" with a graduation icon, "Grade: 02 #123456", and "DOB: 10/31/14". A "Former ELL" flag is also present. Below this, there are three buttons: "New" (green), "Save" (blue), and "Delete" (red). The main content area is divided into two sections: "Crisis Event Summary" and "Crisis Event Detail". The "Crisis Event Summary" section contains a table with four columns: "Start Date" (12/07/2022), "End Date" (12/14/2022), "Crisis Code" (Other), and "Displaced Indicator" (false). The "Crisis Event Detail" section contains fields for "Start Date" (12/07/2022), "End Date" (12/14/2022), "Crisis Code" (Other: Other crisis-induced), "Crisis Name" (Family Emergency), and "Displaced Indicator" (checkbox). At the bottom of the detail section, it says "Modified By: Administrator, System 12/07/2022 08:18 AM". The entire interface is framed by a black border.
