Tool Search: Crisis Event

The Crisis Event tool tracks students who were enrolled, or are eligible for enrollment, but have temporarily or permanently enrolled in another school or district because of a crisis-related disruption in educational services.

Fields vary by state. Please see your state's [State Tools](#) articles for more information on Crisis Event procedures in your state.

The screenshot shows the Infinite Campus interface for a Crisis Event record. At the top, there is a navigation bar with a menu icon, a search icon, and the Infinite Campus logo. Below this, the record is titled "Crisis Event" with a star icon. The student information is displayed as "Student, Yvette" with a person icon, "Grade: 02 #123456", "DOB: 10/31/14", and a red flag icon labeled "Former ELL".

Below the student information are three action buttons: "New" (with a plus icon), "Save" (with a floppy disk icon), and "Delete" (with an X icon). A "Crisis Event Summary" table is shown below the buttons:

Start Date	End Date	Crisis Code	Displaced Indicator
12/07/2022	12/14/2022	Other	false

Below the summary table is the "Crisis Event Detail" section, which contains several fields:

- *Start Date:** 12/07/2022 (with a calendar icon)
- End Date:** 12/14/2022 (with a calendar icon)
- *Crisis Code:** Other: Other crisis-induced (dropdown menu)
- Crisis Name:** Family Emergency (text input field)

At the bottom of the detail section, it says "Modified By: Administrator, System 12/07/2022 08:18 AM" and "District Defined Elements".
