## Tool Search: Crisis Event

The Crisis Event tool tracks students who were enrolled, or are eligible for enrollment, but have temporarily or permanently enrolled in another school or district because of a crisis-related disruption in educational services.

Fields vary by state. Please see your state's [State Tools](#) articles for more information on Crisis Event procedures in your state.

The screenshot shows the Infinite Campus interface for a Crisis Event record. At the top, there is a navigation bar with a menu icon, a search icon, and the Infinite Campus logo. Below this, the record is for a student named Yvette, with a grade of 02, ID #123456, and a date of birth of 10/31/14. A red flag icon indicates she is a Former ELL. There are three action buttons: New, Save, and Delete. The main content area is divided into two sections: 'Crisis Event Summary' and 'Crisis Event Detail'. The summary section contains a table with the following data:

Start Date	End Date	Crisis Code	Displaced Indicator
12/07/2022	12/14/2022	Other	false

The detail section contains the following fields:

- \*Start Date: 12/07/2022
- End Date: 12/14/2022
- \*Crisis Code: Other: Other crisis-induced
- Crisis Name: Family Emergency
- Displaced Indicator:

At the bottom of the detail section, it says 'Modified By: Administrator, System 12/07/2022 08:18 AM' and 'District Defined Elements'.
